SUBJECT: Visit of Mr. Joseph E. GONZALES

✓ This is a combined Embassy and USOM/Spain report on the visit of Mr. Joseph E. Gonzales, staff member of the Senate Appropriations Committee, to Madrid, Spain. It is requested that three copies of this report be forwarded to ICA/W by the Department of State and that copies also be provided to USIA for their information.

Mr. Gonzales arrived in Madrid on Sunday, September 28, 1958, in company with a group of about a dozen other persons understood to have been returning to the United States after completion of temporary military duty tours in Europe. The group had made its own hotel reservations. JUSMG officers provided the usual arrival assistance. Sunday evening an officer of the Embassy offered the group any assistance which it might wish from the Embassy.

Monday morning, September 29, 1958, the designated Embassy Control Officer for Mr. Gonzales' visit called him at his hotel and again offered any assistance which the Embassy could provide. Mr. Gonzales said that he would be leaving Madrid for the United States later that same day, that all arrangements had been made, and that no Embassy assistance was needed. Mr. Gonzales had decided not to stop over in the Azores. Embassy Madrid so informed the Consul at Ponta Delgado.
